

BAND WILL PLAY

But No Other Attractions at Fountain Park

At Opening Sunday Management to Keep Resort Closed on First Day.

Fountain park will be formally opened to the public tomorrow but the management has made the announcement that there will positively be no amusements of any sort on the grounds. The place has been cleaned up somewhat and given an inviting appearance, the grand old trees and springs offering a cool resting spot from the heat of the day in the city.

Arrangements have been made to afford the citizens of Piqua entertainment at Fountain park during the summer, but there will be no attempt to have the park open on Sunday even after all of the different amusement features are ready for patronage.

One of the best offerings at the park is certain to be Becker's concert band, which will give concerts twice daily, afternoon and evening.

The initial concert of the band, except that on the square last evening, will be given Sunday afternoon. The program is in part a sacred one. This will be the one attraction at Fountain park Sunday and the public is invited to enjoy the concert. The program will be as follows:

Vashti— March	Henry Fillmore
Franz Schubert—Overture	Fr. Luppe
Under the Rose—Waltz	Blanke
Under Arms—March	Al. Hayes
Serenade to Alice	Howell
Gloria from Mozart's 12th. Mass	
On the Beautiful Rhine—Waltz	
	Keler Bela
Lord Baltimore—March	
	Henry Fillmore.
